

The evening of March 16 and the day of March 17, 2010 is The Second Day of Nissan
5770 - ב ניסן תשע

Today we will have the opportunity to take control of the month of Iyar. If you don't know what "control" means, [click here to return to the Introduction](Introduction.htm).

The procedure is to meditate on the two Letters

The two Hebrew Letters are:

ו פ

Pey Vav

The letter Vav creates the Mazel or constellation Shor (שור). The Shor is the Hebrew word for the animal known as the Bull.

The Pey is the letter that creates the planet Venus (נוגה).

and then read The verses from the Torah are the Portion of Naso - specifically Bamidbar Chapter 7 Verse 18 - 23.

Below is a partial permutation for the Leader of the Tribe of Issachar.

There is one additional tool to assist us on this day. Each day of the year there are Tzadikim (Righteous People) who have chosen to leave this world on a particular day. There is a connection between these souls and this day. They ask us to utilize their connection to strengthen our own connection to our spiritual actions during this day. The more one learns about a particular Tzadik, the better is ones connection to their connection. All these actions are bringing us closer to Hashem.

The Tzadikim who died on Bet Nissan are:

Rabbi Sholom Dov Ber ben Rabbi Shmuel Schneerson, the Rebbe RaShaB, 5th Lubavitcher Rebbe (1920) also known as the 5th Chabad Rebbe.

Rabbi Yaakov Yosef ben Rabbi Dovid Twersky, Skverer
Rebbe (1968 which is 5768 in the Hebrew Calendar)
